

Print Concepts

Teacher Copy · Observation · ~4 min · K Only

SKILL

10/11

Student: _____

Grade: _____

Date: _____

Hold a simple picture book. Ask and observe. Do not lead the student to the answer.

Print Concepts Checklist

#	Concept	What to Do / Say	Expected Response	I X
1	Book Orientation	<i>Hand book upside-down - does student correct it?</i>	Turns right-side-up independently	✓ X
2	Front Cover	<i>Show me the front of this book.</i>	Points to front cover correctly	✓ X
3	Where to Start	<i>Show me where I start reading.</i>	Points to top left of page	✓ X
4	Directionality	<i>Show me which way I read across the page.</i>	Moves finger left to right	✓ X
5	Return Sweep	<i>What do I do at the end of a line?</i>	Moves to next line, starts left	✓ X
6	Word vs. Letter	<i>Point to one word. Now point to one letter.</i>	Correctly identifies both	✓ X
7	First / Last Word	<i>Point to the first word. Now the last.</i>	Identifies both correctly	✓ X
8	Punctuation	<i>What is this mark? (point to period, then comma)</i>	Names or describes its function	✓ X

Misses 4+ = print concepts instruction needed before phonics. Common with K students with limited book exposure.
