1 Letter Formation

Say: "Write the letters I say. Uppercase first, then lowercase."

S	M	B	F	R	s	m	b	f	r
✓ X	✓ X	✓ X	✓ X	✓ X	✓ X	✓ X	✓ X	✓ X	✓ X
legible?	legible?	legible?	legible?	legible?	legible?	legible?	legible?	legible?	legible?

Illegible or reversed letters = formation needs explicit practice. Note b/d and p/q reversals.

2 Sentence Writing

Say: "Write one sentence about something you did this week. Use your best spelling."

Element	Look For	I X
Capital letter	Sentence begins with uppercase	✓ X
End punctuation	Period, question mark, or exclamation	✓ X
Complete thought	Subject + verb, makes sense	✓ X
Phonics in spelling	Reflects current phonics level	✓ X
Word spacing	Clear spaces between words	✓ X

Missing conventions = mechanics target. Spelling errors = cross-reference Phonics & Encoding.

3 Written Response to Text

Say: "After reading - write one or two sentences: What happened in this story?"

Element	Criteria	Score 1-3
Content	Accurately reflects the passage	1 2 3
Vocabulary	Uses words from the text	1 2 3
Conventions	Caps, punctuation, spacing	1 2 3

Low content = comprehension concern. Both low = start with oral retelling before written response.
